Removal of dual control on UCBs

1153. SHRI KAMAL AKHTAR: Will the Minister of FINANCE be pleased to state:

the reasons for Government retreating on promise made on 6 December, 2006 in the House to bring a comprehensive Bill to amend Banking Regulation Act to remove dual control in Urban Cooperative Banks (UCBs);

by when the Bill would be introduced;

whether Government has received any demand from UCBs for exemption from Income Tax;

whether Government is aware that UCBs are currently going through a bad patch and require capital for technological upgradation; and

if so, the steps taken to improve the position of UCB sector?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PAWAN KUMAR BANSAL): (a), (b), (d) and (e) To ensure regulatory coordination and cooperation under the existing legal framework, RBI has entered into Memorandum of Understanding (MoU) with State Governments. As part of the MoU, a Task Force for Urban Cooperative Banks (TAFCUB) has been set up in each of the States which have signed the MoU for identification of and drawing up of a time bound action plan for revival of potentially viable Urban Co-operative Banks (UCBs) and for non-disruptive exit for non-viable UCBs.

Based on TAFCUB's recommendations, supervisory actions that have been taken include issue of license to unlicensed banks, allowing merger of UCBs, cancellation of license of unviable UCBs etc. Further, certain other facilities like setting up of currency chest, selling mutual funds, providing foreign exchange services etc. have been extended to such banks in the MoU signed States.

(c) The demand for exemption of Cooperative Banks from income tax under Section 80P of the Income Tax Act has been received from different quarters and was considered by the Government. However, the same has not been found to be acceptable.
